LAP SWIMMING RULES & ETIQUETTE

Swimming is a great form of aerobic exercise. We encourage you to use the pool as part of your fitness program. There are certain rules of lap swimming etiquette that we would appreciate all lap swimmers to follow. These guidelines will enable you and all other swimmers to enjoy your visits to the North County Aquatic Center.

1. The lap lanes are for those trying to get into shape, or for those trying to stay in shape, and continuous swimming is encouraged.
2. North County Aquatic Staff strongly urges that lap **swimmers share lanes when all lanes are occupied.**
3. When entering an occupied lane, please let the swimmer know before you enter the water.
4. When there are three or more swimmers in a lane, please swim counter clockwise direction.
5. When passing a slower swimmer, please let the person know by tapping their foot. If you find that you are much faster/slower than the others in your lane, please move to another lane.
6. At all times be aware of what is going on in your lane. If a swimmer behind you looks as though he/she may overtake you on the next lap, stop and wait at the wall. Let that swimmer pass first.
7. Please do not stop in the middle of the lane.
8. Please leave enough room at each wall for turns.
9. If you need to stop, squeeze into the left corner of the lane so that other swimmers have ample room for turns. Likewise, at the end of a set, move left so other swimmers can swim in to the wall. Push off under water to avoid making waves for oncoming swimmers.
10. Each lane will accommodate up to five (5) swimmers short course and up to eight (8) swimmers long course.
11. Lap swim schedule is subject to change.
