THANKS FOR REGISTERING!

What you need to know:

• Now that you’ve registered, mark your calendar for Sept. 2nd - 6:30pm. That is when you will need to access your Zoom invitation for Virtually Twisted Wednesdays!

• If you don’t have a Twister Mat, Don’t Worry! Just cut out 7 inch circles in Red, Blue, Yellow and Green! Six of each color and stick them on your floor where you can with some tape to look like the floor diagram shown.

• Once you are logged in we’ll be holding up cards designating left or right, hands or feet and what color you need to touch. Once the 1st member of your group falls your group is out for that round. We will continue this process for 5 Rounds.

Best out of 5 WINS!
